

# Carnitine Acetyltransferase (CRAT), ELISA Kit

Cat PEK01078

---

## Species

Plant

## Full Product Name

Plant Carnitine Acetyltransferase (CRAT) ELISA Kit

## Product Gene Name

CRAT elisa kit

## Molecular Weight

61,870 Da

## Storage

Store all reagents at 2-8°C

## Protein Family

Carnitine O-acetyltransferase

## NCBI Accession #

CAA55359.1

## NCBI GI #

927415

## NCBI GeneID

1384

## NCBI Official Full Name

carnitine acetyltransferase, partial

## NCBI Official Symbol

CRAT

## NCBI Official Synonym Full Names

carnitine O-acetyltransferase

## NCBI Official Synonym Symbols

CAT1

## NCBI Protein Information

carnitine O-acetyltransferase

## UniProt Gene Name

CRAT

## UniProt Synonym Gene Names

CAT1; Carnitine acetylase; CAT; CrAT

## UniProt Protein Name

---

**FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY**

# Carnitine Acetyltransferase (CRAT), ELISA Kit

Cat PEK01078

---

Carnitine O-acetyltransferase

## UniProt Synonym Protein Names

Carnitine acetyltransferase; CAT; CrAT

## UniProt Entry Name

CACP\_HUMAN

## UniProt Primary Accession #

P43155

## UniProt Secondary Accession #

Q5T952; Q9BW16

## UniProt Related Accession #

P43155

---

**FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY**
