

Platelet Activating Factor (PAF), ELISA Kit

Cat PEK01116

Species

Plant

Full Product Name

Plant Platelet Activating Factor (PAF) ELISA Kit

Product Gene Name

PAF elisa kit

Storage

Store all reagents at 2-8°C

Protein Family

PCNA-associated factor

NCBI Accession

NP_688113.1

NCBI GI

22537262

NCBI GeneID

1013908

NCBI Official Full Name

platelet activating factor

NCBI Official Symbol

SAG1104

NCBI Protein Information

platelet activating factor
