

# Protein C (PROC), ELISA Kit

Cat PEK05303

## Species

Plant

## Full Product Name

Plant Protein C (PROC) ELISA Kit

## Product Gene Name

PROC elisa kit

## Molecular Weight

57,556 Da

## Storage

Store all reagents at 2-8°C

## Protein Family

Vitamin K-dependent protein

## NCBI Accession #

AAB25410.1

## NCBI GI #

265668

## NCBI GeneID

5624

## NCBI Official Full Name

protein C, partial

## NCBI Official Symbol

PROC

## NCBI Official Synonym Full Names

protein C, inactivator of coagulation factors Va and VIIIa

## NCBI Official Synonym Symbols

PC; APC; PROC1; THPH3; THPH4

## NCBI Protein Information

vitamin K-dependent protein C

## UniProt Gene Name

PROC

## UniProt Protein Name

Vitamin K-dependent protein C

## UniProt Synonym Protein Names

Anticoagulant protein C; Autoprothrombin IIA; Blood coagulation factor XIV

**FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY**

# Protein C (PROC), ELISA Kit

Cat PEK05303

---

## UniProt Entry Name

PROC\_HUMAN

## UniProt Secondary Accession #

Q15189; Q15190; Q16001; Q53S74; Q9UC55; B4DPQ7

## UniProt Related Accession #

P04070

---
